Dear Prijon customer,

here you see a list of spareparts for touring- and seakajaks.  
This list will help you to identify the parts you need for your boat.  
So the boat will be ready for use again in a short time.

In the PDF-file you have an order based on the part groups. From this you can click to the price list for this part group.

If you do not find the part you need in this list just contact us and we will help you, of course.

Best Regards

Your PRIJON-Team
